School Promotion

There may be occasions when we would like to use a photo of your child as part of our publicity and marketing strategy for our school in the wider community. This may include such things as local newspapers (Knox Leader, Rowville-Lysterfield Community News) and school brochures. No surnames will be used to identify your child. We need your written permission for your child's photograph to be used.

Please indicate on the form below whether you allow us to use photographs of your child. Then sign and return the slip to your child's classroom teacher. It is important that you return the slip whether you are giving permission or not. Please note that this permission form will last for your child's entire schooling at Lysterfield.
